#### **ABOUT OCTOGVNG:**

OctoGvng is a global collective of music producers founded in 2020 by Grammy nominated engineer & producer, Boyan "65" Stanchev. Bringing together artists from diverse backgrounds and spanning the globe, OctoGvng consists of members from the United States, France, Bulgaria, Italy, Ukraine, Canada, Egypt, Russia, and Jamaica. This unique blend of cultures and musical influences fuels their innovative and boundary-pushing sound, creating a truly international sonic experience.

#### **ABOUT BSLIME:**

YSL signee Bslime has been building up his name for the last three years. The 23-year-old artist grew up watching his uncle Jeffery Lamar Williams, also known as global superstar Young Thug, build his empire called Young Stoner Life Records. Having the opportunity to watch his uncle rise to stardom allowed Bslime to absorb as much wisdom and knowledge as possible. From getting the late Lil Keed signed to YSL, to being a student of the game, Bslime sat back and waited for his time to shine.
